1.1.

The image consists of two horizontal rows of black squares. The top row contains 24 squares, with the first 13 being filled with a white 'X'. A white colon character is positioned between the 13th and 14th squares. The remaining 11 squares are unfilled. The bottom row contains 6 squares, all of which are filled with a white 'X'. Vertical lines are placed between the second, fourth, and fifth squares from the left in this row.
